DETAILED ACTION

1. Claim 1 is allowed over the prior art of the record.

Reasons for Allowance

2. The following is an Examiner's Statement of Reasons for Allowance: The primary reason for allowance of the claims is that prior art neither teach nor fairly suggest the particular combination of the *shear test apparatus for curved panel* as presented in the claim. Major emphasis is being placed upon the provision of various *"curved side bearing members and retaining members"* and the related *"guide mechanism"* in combination with other limitations of the said claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure, however none shows the above claimed limitations.
